

#### Confidential Service User Introduction Form

#### Covid 19 Update:

In March 20 we replaced face-to-face visits with telephone befriending. We are gradually resuming face-to-face visits but we have a very long waiting list.

Shopping: we cannot take on long term shopping help but you are welcome to refer for short term help or occasional trips out to shops.

Transport: our transport capacity is still quite limited: if we have a volunteer available, we can help with essential lifts but only for people who can get themselves in and out of a car without help. Depending on the current risk level we may be able to help with gardening and short indoor practical tasks but not indoor decorating.

Please phone or email the office if you would like to discuss a referral.

# If you have any questions or would like help completing this form please call our office on: 023 8250 0050

We are a local charity who aim to match volunteers with people who need help in the city of Southampton. Our 'Communiteers' are kind-hearted volunteers who want to help reduce loneliness and isolation within our city. They are not trained support workers and their help is limited to the sort of help a good neighbour might be reasonably expected to give.

Please see our 'notes for referrers' or call our office for more information. Unfortunately, we do have a long waiting list in most areas.
